1	depends on what you are talking about when you mention growth	3/27/2020 9:47 AM
2	definitely revitalization. I support growth that is sensitive to the small town feel and existing architecture.	3/25/2020 8:30 AM
3	Do not favor additional building or development but do favor keeping existing orgs and businesses going.	3/23/2020 9:03 AM
4	Yes, but I want to repserve the community feel. I am not in support of franchises and chains moving in as businesses. I would like to see local buisnesses and more oportunites for our community to stay withinn the community.	3/18/2020 3:45 PM
5	It is time for Hopkinton to expand it's comercial business so we can broaden our tax base	3/17/2020 10:57 PM
6	Can't say because I don't know that would entail	3/17/2020 8:18 PM
7	Do not want down town to get busier. It will take away from the small town feel, create more traffic and chaos which inturn creates potential hazards/injuries.	3/17/2020 4:43 PM
8	Badly needed. Tired of NIMBY!!!	3/17/2020 3:58 PM
9	limited amount.... not a lot	3/17/2020 2:58 PM
10	I love the small town feel and the way it is now	3/17/2020 2:21 PM
11	I think revitalization is important, but I don't want to see expansive growth that could impact our small town character and strain town resources.	3/17/2020 1:40 PM
12	actually yes, but NOT with taxpayer dollars	3/17/2020 11:15 AM
13	Revitalization, not growth	3/17/2020 10:52 AM
14	My "yes" answer does not mean that I support higher taxes as a means to encourage growth.	3/17/2020 10:14 AM
15	it would be nice to make it easier for businesses / home-based businesses to exist	3/17/2020 10:08 AM
16	Most definitely	3/17/2020 10:06 AM
17	Revitalization but not growth. We like our small town	3/17/2020 9:10 AM
18	We need some industry to lower our taxes!	3/17/2020 8:55 AM
19	revitalization and growth are 2 DIFFERENT things	3/17/2020 8:46 AM
20	Prefer to not have franchises in town	3/17/2020 7:48 AM
21	There should be a balance between growth/change and keeping town character. I think it's important to keep moving forward, staying modern without compromising town values.	3/17/2020 6:56 AM
22	That's pretty general. I would need specifics.	3/17/2020 6:22 AM
23	We need better walkways around Contoocook. And better bike trails like extended rail trail I'd I've heard some talk of.	3/12/2020 5:19 PM
24	not sure what this question means	3/10/2020 6:49 AM
25	Yes, but I would not like to see chain restaurants or stores come to our town.	3/9/2020 10:25 PM
26	It depends	3/9/2020 9:06 PM
27	in moderation	3/9/2020 10:48 AM
28	Yes, but not a big fan of chain stores coming in	3/8/2020 8:24 AM
29	The village has become a fun place to eat, shop and gather.	3/7/2020 10:16 AM
30	Revitalization only	3/7/2020 10:00 AM
31	Limited or improving growth	3/7/2020 5:37 AM
32	Yes, I work at the high school, volunteer at the Historical Society,. I am a member of the Woman's Club and StlmTheresa's Parish.	3/6/2020 8:10 PM

33	revitalization is good; growth i'm not keen on	3/6/2020 7:55 PM
34	I would prefer if the town did not get any bigger. More building will take up open spaces.	3/6/2020 5:00 PM
35	The more the better	3/6/2020 10:55 AM
36	I'm all for local shops and green space. i do not want to see large commercial operations, nor cookie cutter business or big box stores	3/6/2020 10:40 AM
37	If a business wants to come I have no problem letting it. But it is not my choice to decide what business comes.	3/6/2020 10:22 AM
38	If it's local, not national chain. Oppose Dunkin Donuts, for example	3/6/2020 9:18 AM
39	Limited growth to expand tax base and affordable housing for seniors who are being forced to sell middle class homes because of high taxes.	3/5/2020 9:58 PM
40	We need more rental options and affordable housing for young families	3/5/2020 9:45 PM
41	I volunteer with multiple recreational organizations active in Tooky. I am not aware of any pro-growth activity publicized in Contoocook in the period 8/18-present.	3/5/2020 9:29 PM
42	within reason ... not happy that Dunkin is in Contoocook	3/5/2020 8:33 PM
43	Isn't there a difference between the two (revitalization vs. growth)?	3/5/2020 7:49 PM
44	yes, but not commercial venues like Dunkin.	3/5/2020 7:38 PM
45	Would be nice to more access alongside the River - Park etc	3/5/2020 7:03 PM
46	Especially targeted at the expansion of Contoocook Village.	3/5/2020 5:48 PM
47	More good quality farm to table restaurants.	3/5/2020 5:03 PM
48	Why do we want Hopkinton to look like the mess that is Concord.	3/5/2020 4:59 PM
49	please define "activities." This is super vague...	3/5/2020 4:08 PM
50	As long as it doesn't detract from the small town feel. For example. Dunkin' Donuts is not a small town coffee shop.	3/5/2020 3:55 PM
51	along with environmental protections	3/4/2020 6:08 PM
52	Depending what's to come up I wasn't a huge fan of Dunkins	3/4/2020 5:06 AM
53	We would support commercial development for employment & tax base.	3/3/2020 11:17 PM
54	As long as it's not at the expense of destroying the environment.	3/3/2020 8:37 PM
55	To some extent yes, but want to keep small town feel and local businesses	3/3/2020 7:53 PM
56	Need to expand commercial tax base	3/3/2020 3:06 PM
57	As long as we do not lose our history by tearing down older structures	3/3/2020 12:02 PM
58	depends on what it is	3/3/2020 11:22 AM
59	In the last two towns we've lived, growth of a small town has absolutely destroyed it. The roads, water, and schools we immediately overtaxed. This resulted in the need for more taxes to support a bigger community, creating strife and in-fighting among town residents. That is exactly what we moved away from. Growth will destroy the town, it does every time.	3/3/2020 9:52 AM
60	this is mainly a commuter town, and has been for a long time, why change	3/3/2020 9:24 AM
61	What exactly are you asking? Economic growth?	3/3/2020 9:16 AM
62	Please bring in more businesses.	3/3/2020 8:57 AM
63	To a point. Don't want to see the taxes go up or population increase	3/3/2020 8:31 AM

1	Industrial use is better than commercial	4/3/2020 10:42 AM
2	industrial development is better. Commercial development would have to be limited. Development such as big box stores or even little box stores such Dollar Generals, for instance, would ruin the Town's character.	3/25/2020 8:30 AM
3	Please fully leverage the potential of highway proximity	3/20/2020 3:41 PM
4	As long as it is managed well in terms of scope (size and amount of new growth and business development) and that the focus is small/local businesses. we need more employment and economic development, but also should maintain the quiet and small town feel for which we are known and for which many residents are here.	3/18/2020 3:45 PM
5	As long as the commercial development fits into the culture and charm of a small town; I.e I would not support bringing in chain stores or restaurants at all	3/17/2020 8:32 PM
6	Depends what it is	3/17/2020 8:18 PM
7	Sooner the better	3/17/2020 4:57 PM
8	But depending on what it is - ideally planned in a visually appealing way and with a nod towards mixed-size businesses or residents (i.e. some high revenue businesses, so more local ones, some residential property developments that support mixed-income, etc)	3/17/2020 4:10 PM
9	limited amount... nothing like a shopping mega center or industrial development	3/17/2020 2:58 PM
10	depending on the type of commercial development	3/17/2020 2:45 PM
11	Depends what type of commercial business	3/17/2020 2:32 PM
12	McLanes Distrib Ctr constantly blocks traffic. It is a hazard and someone is going to get killed going around those trucks that are backed up 4 and 5 deep!	3/17/2020 12:18 PM
13	Depends on what it is	3/17/2020 11:38 AM
14	yes, but only if town and school spending decreased	3/17/2020 11:15 AM
15	This will negatively impact the residents of Maple Street and Dolly Road. There is also a large tract of unspoiled land that could be damaged.	3/17/2020 10:52 AM
16	I do not object to commercial development, but I do not believe that the area around Exit 6 should become a hub of gas stations, fast food restaurants, etc.	3/17/2020 10:14 AM
17	any business willing to operate in our town despite the taxes would be beneficial and we should welcome it with open arms	3/17/2020 10:08 AM
18	Tasteful (aesthetically) and small development only	3/17/2020 10:06 AM
19	We desperately need other opportunities to reduce the tax burden caused by the ridiculously high school budget	3/17/2020 8:49 AM
20	If we don't find creative ways to increase tax revenue, we will not be able to grow.	3/17/2020 6:56 AM
21	But not clear cutting the area	3/17/2020 6:38 AM
22	Perhaps larger manufacturing type businesses, but not chain restaurants etc	3/17/2020 6:22 AM
23	Provided the town collects revenue (taxes) from businesses who build/establish at those sites.	3/13/2020 9:39 AM
24	Untapped resource as we need to grow our tax base	3/10/2020 10:19 AM
25	caveat: no big box, strip malls, etc	3/10/2020 6:49 AM
26	"Clean" commercial development would be fine - i.e. - law or other professional office,	3/9/2020 10:25 PM
27	Perhaps our best shot for increasing the tax base. We are giving all the business to Warner/Exit 9 right now.	3/8/2020 8:24 AM
28	Depending on the type of commercial development	3/7/2020 10:00 AM
29	if done in good taste and only it lowers taxes	3/7/2020 8:35 AM

30	large truck and heavy traffic are definately NOT contributing to the small town feel	3/6/2020 10:40 AM
31	Absolutely. Please, bring in some revenue!	3/6/2020 10:04 AM
32	We need more rental options and affordable housing for young families	3/5/2020 9:45 PM
33	I don't support additional commercial traffic through Fountain Square.	3/5/2020 9:29 PM
34	If it is appropriate.	3/5/2020 7:49 PM
35	it depends on what the development is.	3/5/2020 7:38 PM
36	V limited yes	3/5/2020 6:41 PM
37	Depends somewhat. I would definitely support offices or commercial expansion in line with the character of Contoocook Village. I would be against, for example, a strip mall.	3/5/2020 5:48 PM
38	no chains! no DD's!	3/5/2020 5:03 PM
39	Only if it takes the some of the tax burden off the homeowners.	3/5/2020 4:26 PM
40	I have mixed feelings about this, would depend to a large extend on the type of development	3/5/2020 4:19 PM
41	"Vicinity" is relative. Will zoning define vicinity development?	3/5/2020 4:12 PM
42	There is a positive impact with reducing taxes but the commercial look just doesn't fit with the small town feel	3/5/2020 3:55 PM
43	Yes if take a left from NB 89; perhaps if go right from NB 89 0 depends on nature of development.	3/5/2020 9:35 AM
44	With caveats. Nothing like a trash incinerator or sludge disposal.	3/4/2020 9:10 PM
45	As long as traffic and roads are addressed	3/4/2020 6:01 PM
46	it depends what form it would take. small business, yes, any additional large business and building, not likely	3/4/2020 9:34 AM
47	We need zoning changes.	3/3/2020 11:17 PM
48	Depends on the type of development. More factories and industrial businesses, no.	3/3/2020 8:37 PM
49	This is the only area suited for commercial development and needs to grow	3/3/2020 3:06 PM
50	should the town look to purchase land when it is up for sale to expand commercial development	3/3/2020 2:45 PM
51	All commerical and individual development should remain along rt 127	3/3/2020 10:18 AM
52	Depends on what it is. No big box anything	3/3/2020 9:57 AM
53	Absolutely not. See opinion above. This is a huge mistake.	3/3/2020 9:52 AM
54	don't need the congestion	3/3/2020 9:24 AM
55	This is a big no for our family.	3/3/2020 9:16 AM
56	These are great but because of the time it takes to "develop" we should already be thinking of the next two places to bring in businesses.	3/3/2020 8:57 AM
57	If it is not chain stores but businessEs that support the tax base	3/3/2020 8:31 AM

Q8 Do you support mixed-use development in the vicinity of the US202/NH9 and NH127 intersection near the Henniker Town line? What is Mixed-Use? Mixed-use can be defined as the development of a tract of land, building, or structure with a variety of complementary and integrated uses, such as, but not limited to, residential, office, manufacturing, retails, public, or entertainment, in a compact urban form. Please refer to Town of Hopkinton’s Zoning Ordinance for a list of permitted uses in Town.

5	Please see above. Economic growth and development are a must, but we should also consider scope to make sure that we do not grow too much to fit the space and resrouces we have. Growth should be managed intentionally and judiciously so that we truly can supoport these new businesses.	3/18/2020 3:45 PM
6	Sooner the better	3/17/2020 4:57 PM
7	That intersection is a nightmare.	3/17/2020 12:18 PM
8	yes, but only if town and school spending decreased	3/17/2020 11:15 AM
9	With the addition of a traffic circle	3/17/2020 10:52 AM
10	I do not object to the idea of additional development at that place, but I also do not think that it should become cluttered with developments.	3/17/2020 10:14 AM

13	Put in a traffic circle in that intersection.	3/17/2020 5:52 AM
14	Yes, or some recreation by river there. A sports center, Nordic operation connected to elm brook, and mountain bike shot, and and and!	3/12/2020 5:19 PM
15	perfect place for tax revenue without character destroying	3/10/2020 10:19 AM

18	Why are you asking me? I don't own that property. Ask the property owners.	3/7/2020 7:44 AM
19	This will end up increasing our taxes. Leave the development to private developers.	3/6/2020 8:38 PM
20	that area is a blight, so anything would improve it	3/6/2020 7:55 PM
21	Yes, and; the plans which envision low-cost housing over in this area seem like they miss the opportunity to site any new low-cost housing over in Contoocook Village, where residents could walk to the majority of useful, life-giving, community-making services. I would prefer to see housing in Contoocook (where I live). I know some folks would rather have "low-income" (read, "poor") people out at the edge of town, but we'll grow together better if we are physically with each other.	3/6/2020 12:03 PM
22	Great idea	3/6/2020 10:55 AM
23	small business are fine	3/6/2020 10:40 AM
24	The traffic flow would have to be safely developed. It has been a dangerous intersection in the past.	3/5/2020 10:13 PM
25	I don't see this as an area that would attract luxury condo customers but maybe low middle level income folks.	3/5/2020 9:58 PM
26	We need more rental options and affordable housing for young families	3/5/2020 9:45 PM
27	But only after they put a traffic light to make that intersection safer	3/5/2020 9:20 PM
28	Big concerns about effects on traffic safety	3/5/2020 8:21 PM
29	A roundabout would help slow traffic and bring people into town	3/5/2020 8:08 PM

30	Again, it would depend on the details.	3/5/2020 7:49 PM
31	I dislike 'mixed-use' on Currier Rd by Irish Electric.	3/5/2020 7:38 PM
32	Safety issues	3/5/2020 6:43 PM
33	This seems like an underutilized perfect for development property	3/5/2020 5:22 PM
34	that is dangerous enough as is at that intersection...	3/5/2020 4:59 PM
35	This looks like the "TIF" district. I prefer to leave entryways to the town less deveoped to highlight our "rural character" this sort	3/5/2020 4:19 PM
36	Traffic there is bad enough already	3/5/2020 4:03 PM
37	This is a very dangerous crossroad with many fatal accidents over the past years.	3/4/2020 8:59 PM
38	No residential	3/4/2020 5:24 PM
39	see previous comment	3/4/2020 9:34 AM
40	It should just be commercial	3/3/2020 11:17 PM
41	Would love a gas station.	3/3/2020 7:53 PM
42	It should be just commerical and industrial. Keep housing out of that area for less problem going forward between business and homeowners	3/3/2020 10:18 AM
43	VERY dangerous intersection. Still a quiet and remote part of town. Worried for nearby river	3/3/2020 9:57 AM
44	Absolutely not. There are communities within 5-8 miles with those needs already established.	3/3/2020 9:52 AM
45	commercial development would be my preference	3/3/2020 9:24 AM

1	I don't want to draw second homes and tourists. Keep it good for residents.	4/3/2020 10:42 AM
2	There should be options for small scale commercial versus big box stores, or locally owned restaurants versus large chains. It's difficult to say "yes" or "no" unless we could differentiate in this way.	3/25/2020 8:30 AM
3	I would not want to see large chains. They often bring signage requirements that dint fit the aesthetic of our old town and values, like Dublin' that seem completely antithetical to our town culture	3/17/2020 8:32 PM
4	Any and all...	3/17/2020 4:57 PM
5	I'd say that I would be careful with industrial - they could definitely be high revenue opportunities, but it's important to mitigate environmental impact (which everyone knows!); i don't think we need a grocery store and I would hate to pull business from Colonial, which is a keystone business; generally I think that mixed developments that are NOT strip malls would be great.	3/17/2020 4:10 PM
6	size is what is important... small business yes,	3/17/2020 2:58 PM
7	Depending on which uses	3/17/2020 2:45 PM
8	More offices, commercial and manufacturing	3/17/2020 12:43 PM
9	in small percentages	3/17/2020 11:15 AM
10	We desperately need other opportunities to reduce the tax burden caused by the ridiculously high school budget	3/17/2020 8:49 AM
11	The look and feel of any development should blend with the town and village charm	3/17/2020 8:30 AM
12	Truck stop, truck wash, fuel & def	3/17/2020 8:09 AM
13	i'd prefer most or all businesses are small and fit the character of the town.	3/12/2020 3:10 PM
14	within reason...excessive growth would negatively impact the culture of the town	3/10/2020 6:49 AM
15	Again, I would prefer no chain businesses - i.e. - no Applebees or Holiday Inn, etc.	3/9/2020 10:25 PM
16	We have a grocery store that fits the town well. We have Gould Hill Farm as a tourism business.	3/8/2020 8:46 PM
17	Industrial covers a wide range. Light industrial preferred to heavy industrial.	3/8/2020 8:24 AM
18	Any business which can fit into the "feel" of the town and can also broaden the tax base.	3/7/2020 10:16 AM
19	Housing, we have a shortage in this state	3/7/2020 8:35 AM
20	Smaller homes	3/6/2020 8:10 PM
21	small retail and professional offices and small service is good. box stores are bad	3/6/2020 10:40 AM
22	All business is good business.	3/6/2020 10:22 AM
23	We could use a hardware store.	3/6/2020 9:30 AM
24	Unable to assess this question .	3/6/2020 8:41 AM
25	We have a nice array of restaurants already and a great grocery store near enough in Warner; it might be hard to get another retail store that would "make it" as a number haven't.	3/5/2020 9:58 PM
26	We need more rental options and affordable housing for young families	3/5/2020 9:45 PM
27	Businesses that could help the tax base.	3/5/2020 8:45 PM
28	I don't object to the ideas just hoping they are not large scale hotels or grocery stores	3/5/2020 8:08 PM
29	no Walmart	3/5/2020 7:39 PM
30	each one depends on the influx: i.e. a country inn - yes, a marriot - no; another boutique in Tooky - yes, a Dollar Store - NO.	3/5/2020 7:38 PM

35	Much depends on the scale and density of the proposed development	3/5/2020 4:19 PM
36	Ok with clean/green industry	3/5/2020 4:05 PM
37	Senior housing	3/5/2020 4:00 PM

41	I support inns and bed & breakfast but not large hotels	3/4/2020 9:54 AM

43	Virtually all of the above could be desirable, depending on the specific circumstances.	3/3/2020 9:49 PM
44	Small retail only, no dollar stores. Also somewhat depends on location	3/3/2020 7:53 PM
45	We have enough retail shops and restaurants now	3/3/2020 12:02 PM
46	senior housing, medical facilities, tech	3/3/2020 9:24 AM

Q10 In recent decades, Hopkinton has worked to protect areas of Town from future development through the establishment of conservation easements, purchase of conservation land, etc. What areas in Town do you think should be protected from future development?

We have created a town of mostly high end professionals who move out once their kids graduate and leave those with multi-generations to eventually move out, close local small businesses, force farms to enter into conservation easements so they can generate some type of revenue while also retaining the farmland.	3/17/2020 8:49 AM

159	I think the Hopkinton's policy is misguided. It appears to be a blanket policy requiring 50% of land for subdivision to be conserved, regardless of location. I believe 1) That the areas within a mile of the village centers should be densely developed, with the intermediate areas conserved. 2) The old rail lines (rail trails) should be made public right of ways, and conserved/developed for non-motorized recreation. 3) The parks, and preserves should be linked by non-motorized pathways..	3/5/2020 9:29 PM

Q13 Hopkinton's predominant form of housing is Single Family. What other types of housing would you like to see encouraged throughout Hopkinton? (Please check all that apply). Manufactured Housing Subdivision is defined as a subdivision of land into lots for manufactured homes. Manufactured Housing Park is defined as a parcel of land containing at least 10 acres with one or more manufactured houses or mobile homes. Workforce housing is defined as housing that is affordable for the area's workforce. Specifically, it means affordable to someone earning the average family income in the area. Conservation Subdivisions permit housing units to be grouped on sites or lots with flexible dimensions, frontages and setbacks less than the minimum requirements, with the goal being an increased dwelling density on some portions of the parcel and other portions being preserved as open space.

Hopkinton has a very high average, but also has roughly 250 people living in poverty (and likely more than that, again, in a low-income situation) as of the last census. #	COMMENTS FOR "NH9/EXIT 4 INTERCHANGE AREA (HOPKINTON VILLAGE)"	DATE
1	People not following the rules of yielding	4/3/2020 10:42 AM
2	The traffic pattern is awkward and dangerous. A smaller rotary would be great.	3/25/2020 8:30 AM
3	The ramps should terminate with a compact intersection that frees up the wasted land and calms traffic in a complete street far in advance of developed areas	3/19/2020 5:11 PM
4	No commercial development	3/19/2020 2:23 PM
5	Not everyone wants to stop and especially yield after taking the exit	3/18/2020 6:01 PM
6	Entrance into our lovely village	3/18/2020 5:49 PM
7	I do not see appropriate space for much commercial/economic growth in this area. the traffic pattern is weird but there are too many residences and open land that would be compromised if this area were to see much more development.	3/18/2020 3:45 PM
8	My teenager was hit by another vehicle that did not stop at this intersection.	3/18/2020 11:39 AM
9	Who is supposed to yield first? It's very confusing.	3/17/2020 10:56 PM
10	Confusing set up...especially to new drivers in the area	3/17/2020 7:09 PM
11	difficult area to change	3/17/2020 4:57 PM
12	I live in the Precinct, so I'm obviously biased, but I think managing traffic / speed and also making sure we can settle in a couple viable businesses that work WITH the historic nature of the village would be great :)	3/17/2020 4:10 PM
13	Yield is on wrong portion of roadway. Should be on Hopkinton Rd, NOT on entering ramp. Currently, drivers on ramp end have to turn heads more than 90 degrees to view Hop Rd oncoming traffic. Easy not to see that traffic. beyond 90	3/17/2020 3:58 PM
14	No one yields at the yield sign and speeds up to get in front of those with the right of way ALL THE TIME.	3/17/2020 11:24 AM
15	Covered bridge, concerned with the new housing / apartment how that intersection will function when people are living in that section	3/17/2020 10:07 AM
16	Ramp onto 89 is too short with major blindspot	3/17/2020 10:04 AM
17	After exiting I-89 coming north, It's difficult to see traffic coming in from the right on 202 North	3/17/2020 9:23 AM
18	but its pretty ugly	3/17/2020 8:46 AM
19	The stop sign should be for the people coming from 202/9 not the people coming off 89.	3/17/2020 8:26 AM
20	A stop sign should be in place at 202 when coming off of exit 4	3/17/2020 7:48 AM
21	This area is very busy at start of school	3/17/2020 7:47 AM
22	Very dangerous, blind spot & confusing	3/17/2020 7:12 AM
23	Too many accidents. Yield sign should be located at rt 9 not off exit 4	3/17/2020 7:05 AM
24	People run the stop sign	3/17/2020 6:38 AM
25	Move yield sign 100' to right on 9	3/17/2020 4:50 AM
26	Yield sign is inadequate. Need STOP sign	3/16/2020 10:43 AM
27	I have no problems with NH9/Exit 4	3/11/2020 5:05 PM
28	It is an exit off I-89 with sub optimal visibility of traffic coming from Concord onto Main Street	3/9/2020 10:25 PM
29	This is the major gateway into town and I would hate to see commercial development in this area as it would not fit with the character of the town	3/7/2020 1:48 PM
30	Too often cars fail to stop at the stop sign - as it is at the end of a very long off ramp. Also, merging onto 202/9 off the interstate as you head into the village is challenging. I find it difficult to see oncoming traffic to which I should yield as the road is curved in a way which makes it difficult to see oncoming traffic.	3/7/2020 10:16 AM

31	Only that the yield when exiting highway has significant blind spots. I think the yield should be on Hopkinton Rd. as visibility is much better	3/7/2020 8:35 AM
32	I know three people who have been in t-bone accidents there	3/7/2020 7:07 AM
33	Poor site lines	3/7/2020 5:37 AM

38	Sometimes difficult to see oncoming traffic at the yield sign	3/6/2020 9:41 AM
39	Drivers do not yield to oncoming traffic from the East.	3/6/2020 7:24 AM
40	Nice to have rural view shed as you enter the historic village.	3/5/2020 9:00 PM
41	Again, dangerous both getting on and off highway	3/5/2020 8:58 PM
42	Confusing to outsiders . Unattractive entrance to village	3/5/2020 8:47 PM
43	A stronger defined Historic entrance to Hopkinton village	3/5/2020 8:08 PM
44	Needs to stay as is	3/5/2020 7:44 PM
45	no. It's the entrance into upper Hopkinton village.	3/5/2020 7:38 PM
46	Vehicles exiting exit 4 often miss stop sign	3/5/2020 7:24 PM
47	People don't yield when coming off highway	3/5/2020 6:14 PM
48	People ignore the yield sign as they drive toward Hopkinton village.	3/5/2020 6:09 PM
49	Speed limit not enforced enough, exit has stop sign and unless you're familiar with it, it's easy to miss it.	3/5/2020 5:43 PM
50	There should be an on ramp northbound	3/5/2020 5:06 PM
51	that could also be a roundabout. people don't stop coming off of exit 4	3/5/2020 4:59 PM
52	Exit the highway and head to village - Yield is bad angle	3/5/2020 4:45 PM
53	The merge is confusing and dangerous	3/5/2020 4:41 PM
54	Put the blinking red light back	3/5/2020 4:03 PM
55	Ugly and a waste of space	3/5/2020 4:01 PM
56	People don't yield	3/5/2020 3:52 PM
57	I don't want to see that get developed. It's just a residential exit right now. Too many homes near the interchange. Don't let it go commercial.	3/5/2020 10:58 AM
58	To many people don't stop	3/4/2020 7:41 AM
59	Its very confusing for people who havent been through it before. Many people dont stop and/or dont yeild when they come off the exit.	3/4/2020 7:24 AM
60	There's not really any room for increased development	3/3/2020 8:34 PM
61	Many people don't stop at yield coming off interstate going toward village	3/3/2020 7:53 PM
62	drivers coming off 89 into town do not know what yield means	3/3/2020 7:41 PM
63	It's confusing with the merging and stop signs	3/3/2020 4:41 PM
64	should change the yield sign to a stop sign as many people do not want to yield and if from out of town don't realize they are the ones who needs to yield	3/3/2020 2:45 PM
65	Beautiful entrance to town. 89 noise increasing	3/3/2020 9:57 AM

66	Should go both ways - on and off 89	3/3/2020 8:23 AM
67	Only the yield from Exit 4 onto Hopkinton Road. This should be swapped and then it would be safer due to blind spots.	3/3/2020 8:19 AM

2	people driving too fast	3/27/2020 9:47 AM
3	Too much pavement. This area needs traffic calming measures.	3/25/2020 8:30 AM
4	Put in a roundabout to create more effecient use of space.	3/20/2020 3:41 PM
5	Eliminate the WB slip ramp onto NH 103 and terminate the streets at a single compact intersection that can safely accommodate pedestrian access	3/19/2020 5:11 PM
6	Cara don't always turn left onto 103 where they should, which has led to near miss car accidents	3/18/2020 6:01 PM
7	Not specifically that intersection but the blind curve on 202 just beyond. See comment below	3/18/2020 5:41 PM
8	This area is iconic and speaks to Hopkinto's history. I would hate to see too much change in this immediate area. There are already established residences, a few organizations and businesses and our elementary school. There is not much more room and too much growth in this area would destroy it's beauty and charm.	3/18/2020 3:45 PM
9	parking in front of the store seems dangerous	3/18/2020 11:39 AM
10	Traffic can be heavy in the morning	3/17/2020 10:57 PM
11	Traffic can be tough in the morning, a roundabout would be awesome!	3/17/2020 8:32 PM
12	Turning left onto 103 from Briar Hill is risky because of poor visibility to the right, and too many roads to focus on to the left. Generally speaking, there are too many roads flowing in/out of each other in such a small area.	3/17/2020 8:18 PM
13	Traffic congestion	3/17/2020 5:36 PM

20	I worry that the fact that this intersection is crowded for a brief period on weekday mornings (during the school year) will inspire someone to think that we need a traffic light there.	3/17/2020 10:14 AM

28	round about may be more appropriate. traffic pattern is confusing	3/10/2020 6:49 AM
29	A round-about would work well there and the interior of it could be enhanced with gardens. I do not think parking should be allowed in the triangle that exists in the center of this intersection now.	3/9/2020 10:25 PM
30	Clearer traffic instructions might reduce accidents	3/8/2020 2:23 PM
31	It's dangerous. Lots of traffic near 8am. The asphalt "island" could be SO much nicer if it were	3/8/2020 8:24 AM

	(and safer) if it were raised and landscaped. It is a primary entrance to the community.	
32	Same as above	3/7/2020 1:48 PM
33	Morning backup especially when school is in session. I think a roundabout is a good option.	3/7/2020 8:35 AM
34	Patience works at this intersection.	3/6/2020 8:10 PM
35	If the Cracker Barrel ever went out of business, I would be so bummed if some kind of fast food joint showed up. I was so bummed when the Dunkin Donuts came to Colonial Village. It does not fit the character of our town.	3/6/2020 5:00 PM
36	difficulty knowing right of way for unfamiliar drivers; hard to see who is coming up the 103 hill	3/6/2020 3:53 PM

40	too congested in morning at school drop-off time	3/6/2020 10:04 AM
41	The triangle pavement in the middle could use some beautification - ex. grass, fountain, flowers etc	3/6/2020 9:51 AM
42	As the town grows, this will be a difficult intersection to negotiate.	3/6/2020 9:30 AM
43	I would love to see the asphalt triangle beautified.	3/5/2020 10:07 PM

54	Could this be made into a traffic circle?	3/5/2020 4:52 PM
55	It's got poor visibility when coming out of South Road. People park in front of the CB and back out into the road. Some people end up in the wrong lane facing South Road, drive over the triangle, or don't stop.	3/5/2020 4:42 PM
56	Can be confusing. Made for the 19th Century.	3/5/2020 4:41 PM
57	Unattractive	3/5/2020 4:30 PM

1	People generally go slow enough.	4/3/2020 10:42 AM
2	This intersection could use some traffic calming measures to make people slow down and more clearly define convenient crosswalks.	3/25/2020 8:30 AM
3	roundabout to create more rational parking	3/20/2020 3:41 PM
4	Remove excess travel and turning width, add curb and include robust sidewalks with green buffer space	3/19/2020 5:11 PM
5	There needs to be a right turn lane. People turning onto 127 rarely use turn signal, so I've seen many cars pull out from 127 to 103 and nearly collide because the car on 127 thinks the other car on 103 is turning. The gas station exits onto 103 has also caused near miss accidents.	3/18/2020 6:01 PM
6	school mornings and fair days are pretty chaotic	3/18/2020 5:38 PM
7	Again, this is classic to our town. There is space for some development, but I fear that it will be done in haste and will become a project that over reaches its bounds. Any growth must be intentionals and any plans for new commercial enterprises or residential building should be able to include in its proposal how it will contribute to the community in terms of philanthropy, architectural integrity, and it's own strategic growth. We cannot brign people in for the sake of growth alone. Each entity must have purpose and present a sincere plan for how it will work to "fit in" to the town. The twon should not change because of it, but should improve becasue of it.	3/18/2020 3:45 PM
8	Another heavy traffic spot at certain times of the day	3/17/2020 10:57 PM
9	Busy and dangerous before and after school hours and during events at the fair grounds	3/17/2020 9:14 PM
10	The triangle is too small to disperse traffic, and it's not clear who has the right of way when turning to go in the direction towards the cafe.	3/17/2020 8:18 PM
11	Great potential for growth	3/17/2020 4:57 PM
12	Ditto above.	3/17/2020 4:10 PM
13	Make Cedar Steet one way FROM Maple St.!! Entering Maple from Cedar is difficult. Some drivers turn left even though that's prohibited. Have seen Town trucks do that!	3/17/2020 3:58 PM

18	keep historical	3/17/2020 11:15 AM
19	It was once planned to fill in the stretch of road in front of the building where Hashtag is located and make a T intersection with Maple and Main Streets. This should be done	3/17/2020 10:52 AM
20	I worry that the fact that this intersection is crowded for a brief period on weekday mornings (during the school year) will inspire someone to think that we need a traffic light there.	3/17/2020 10:14 AM

24	Sometimes Difficult to Safely Make a Turn onto 202	3/17/2020 8:16 AM

26	Difficult to make left turn due to traffic coming from Park Ave /Kearsarge Ave	3/17/2020 6:19 AM
27	I love that area and want to be careful not to change the character as it is developed. It would be great , for instance, to have a traffic circle, but not great to have franchise businesses because the area is really focused on independent/ unique businesses	3/17/2020 5:56 AM

28	Too much traffic and not enough signage	3/17/2020 5:52 AM
29	I find it difficult to see traffic when turning from Maple St to 103. Gas station traffic makes it more difficult, as well as the parking across the street.	3/17/2020 5:22 AM

37	Too much ytraffic	3/7/2020 5:37 AM
38	I am amazed how many close calls I have had with cars and pedestrians	3/6/2020 8:10 PM
39	It would be nice if the fountain island were more attractive - it's an eyesore presently. I was appalled when Dunkin Donut went into the Colonial village plaza. I would hate to see any other fast food type businesses come to town.	3/6/2020 5:00 PM
40	needs small rotary where roads merge.	3/6/2020 3:53 PM
41	Should be a rotary. No one uses directional. The speed is crazy. People have been hit. This is a village and needs to be 20 mph. Rotary keeps the fountain and slows everyone down.	3/6/2020 10:22 AM
42	dangerous for pedestrians to cross	3/6/2020 10:04 AM
43	a little tricky telling who's going which direction. Small traffic circle?	3/6/2020 9:18 AM

45	I'm not terribly concerned but I wonder if at some point, a roundabout would do more to move traffic and make it feel more alive.	3/5/2020 10:07 PM
46	Too much traffic. Needs traffic light	3/5/2020 9:53 PM
47	1) Every day, drivers ignore the pedestrian right of way while speeding down Maple St.; 2) Customers of the EveryDay Cafe routinely park on the street and impede traffic causing a hazard; 3) Students need crosswalks across Maple and Main next to Fountain Square; 4) The speed limit in Contoocook Village needs to be 25 because people are driving +5 over the posted limit down Pine, down Main, down Maple, down Kearsarge, and rarely cede the right of way to pedestrians on Park; 5) We need a roundabout around the Fountain to improve the flow of traffic.	3/5/2020 9:29 PM

49	It's awkward and dangerous	3/5/2020 8:58 PM
50	Difficult to be on Maple St and then left on to 103 in center of town when high traffic	3/5/2020 8:09 PM
51	It has a poor lay out for traffic and it makes it dangerous for pedestrians	3/5/2020 8:08 PM
52	It has enough commercial traffic and the school.	3/5/2020 7:38 PM
53	Traffic is so fast in front of Maple St School!!! Crosswalks and sidewalks are in tough shape. Need flashing light, speed, etc	3/5/2020 6:47 PM

59	It's ugly and awkward	3/5/2020 5:06 PM
60	the traffic there can be dreadful... just getting out off of maple street to turn left can be rough and if something is going on at the fairgrounds you are doomed..... roundabout would work great there	3/5/2020 4:59 PM
61	Could this be made into a traffic circle	3/5/2020 4:52 PM
62	During the fair it can be a challenge	3/5/2020 4:45 PM
63	Visibility is blocked by the bridge and yield signs are hard to see	3/5/2020 4:05 PM
64	Needs a roundabout like what they put in near Market Basket in Warner. People are getting a little too aggressive at that intersection at high volume times.	3/4/2020 9:10 PM
65	At times I wish there was a traffic lite	3/4/2020 6:55 PM
66	need better pedestrian safety	3/4/2020 6:08 PM

78	Speed and traffic control	3/3/2020 8:55 AM
79	This area is seeing more traffic lately	3/3/2020 8:26 AM
80	Too congested and open. Would like to see it reduced in scope as designed 20+ years ago. This would make the area safer by reducing traffic speed and add more parking.	3/3/2020 8:19 AM
81	Needs a roundabout	3/2/2020 8:56 PM

2	Eliminate the EB slip ramp in front of the fire station and connect Pine Street to NH 103 in a compact intersection at one location. Include pedestrian access and safety	3/19/2020 5:11 PM
3	If you're new to the area there is no signage stating what side of the intersection doesn't stop. The stop signs need to include "traffic from x side doesn't stop"	3/18/2020 6:01 PM

7	I'm afraid someone is going to mistakenly think it's 4 way stop. Also, before getting to that 3 way stop intersection, stopping on 103 to take the slight left to get to the 3 way stop intersection is dangerous because you have to stop at an unexpected stopping point to get over.	3/17/2020 8:18 PM
8	Better signage and speed	3/17/2020 12:46 PM
9	People don't understand who has right of way. Maybe put in rotary here?	3/17/2020 12:43 PM
10	Non locals don't know the intersection and it makes it dangerous	3/17/2020 12:02 PM
11	The pine tree has there many many years. I would hate to see it destroyed. It's a landmark	3/17/2020 11:38 AM

27	same reason as above	3/17/2020 5:56 AM
28	Most hours it is okay, but when there is a high traffic volume it is difficult coming from Pine St. It is hard to tell sometimes who is turning from 103 (bridge) and then where they are turning after that. I have seen a lot of people stop there where there is no stop sign, or have seen other people think they have right of way because they expect someone coming off 103 to stop where they don't have to.	3/17/2020 5:22 AM

32	traffic entering kearsarge is often moving much too fast, not using blinkers, traffic coming off kearsarge often ignores the yield sign.	3/12/2020 3:10 PM
33	Poorly managed combination of commercial and residential use. Lots of school kids who walk/ride to school...add to it the fact that Pine St. has become a major road with drivers frequently going well over the speed limit. Restrictions are needed before someone gets killed on Pine st. It is "residential" with significant commercial use, including logging trucks. It is infrequently policed and this mixed use road is a major hazard. High School sports teams rely upon Kearsarge and Pine for training, which makes for a dangerous situation as side walks are only partially developed on these roads and the traffic speed more resembles a highway.	3/10/2020 6:49 AM

46	Drivers do not stop at the stop sign.	3/6/2020 7:24 AM
47	I worry that out-of-town drivers will not realize that those on 103 have the right of way, not those going straight onto/from Kearsarge Ave.	3/5/2020 9:58 PM

61	Confusing	3/5/2020 5:26 PM

62	Not everyone knows about a three way stop	3/5/2020 5:22 PM
63	Unclear signage about who has the right of way. Logging trucks speeding down Pine, air braking	3/5/2020 5:09 PM
64	It's ugly and awkward	3/5/2020 5:06 PM
65	People do not yield	3/5/2020 5:03 PM
66	People don't obey the signs.	3/5/2020 4:42 PM
67	Very idiosyncratic. You have to live here to understand it.	3/5/2020 4:41 PM
68	roundabout here too.	3/5/2020 10:58 AM
69	It is a cluster. Have you thought about aroundabout	3/3/2020 8:46 PM
70	The increase in traffic is making it increasingly dangerous as it is a free for all right now.	3/3/2020 8:37 PM
71	Again - little area to increase development.	3/3/2020 8:34 PM
72	People never stop at the yield sign	3/3/2020 7:53 PM
73	People drive fast dont pay attention	3/3/2020 7:39 PM
74	There should be a light there, it's needed during busy commute times. At least a stop sign instead of a yield.	3/3/2020 7:30 PM
75	People don't pay attention to the 3-way stop	3/3/2020 4:40 PM
76	Bad intersection. Kearsarge should be a Stop.	3/3/2020 3:18 PM
77	Needs better traffic flow control	3/3/2020 12:02 PM
78	People do not know how to yield. I have almost been plowed into several times at this juncture	3/3/2020 11:41 AM
79	Right of ways are awkward/unsafe	3/3/2020 11:19 AM
80	need a roundabout. people don't follow traffic rules here, it's a dangerous mess with that 3 way stop sign	3/3/2020 9:24 AM
81	See above	3/3/2020 9:16 AM
82	Everyone cuts you off there trying to sneak in...I'm SHOCKED there's not a ton of accidents there	3/3/2020 8:58 AM
83	Nobody knows rules especially at Fair time	3/3/2020 8:56 AM
84	Stop sign instead of yield sign.	3/3/2020 8:55 AM
85	Merge and crossover confusing.	3/3/2020 8:28 AM
86	Confusing to out of town people	3/3/2020 8:27 AM
87	Things get tricky when school traffic lets out.	3/3/2020 8:26 AM
88	Traffic is too quick and congested. Very dangerous. This might actually be a decent spot for a large roundabout	3/3/2020 8:19 AM
89	Confusing. Maybe a roundabout would be helpful	3/3/2020 8:15 AM
90	Need to remove triangle where tree is	3/2/2020 8:56 PM

1	Bottom of Putney Hill and Dolly -- stop sign not highly visible.	4/3/2020 10:42 AM
2	calm NH 103 traffic with raised pedestrian refuge island in front of the High School and along NH 127 in front of MSS.	3/19/2020 5:11 PM
3	The intersection of 127 and Clement Hill Rd. A stop sign should be added on 127 for those coming from 202/9. People going straight onto Clement Hill Rd (not turning R to go over the dam and stay on 127) don't yield to oncoming traffic coming around the corner. They drive through that intersection at high rates of speeds with no consideration of those turning the corner from the dam. I've seen all manner of vehicles, including dump trucks, just blow through without even slowing down. It's just a matter of time before a serious accident occurs there.	3/17/2020 1:40 PM
4	The more housing and therefore people driving in this town will cause more traffic congestion. Please keep changes/growth limited limited	3/17/2020 9:10 AM
5	Maple street near MSS- speed of traffic	3/17/2020 8:30 AM
6	Currier & 202/9; Semi truck traffic likes to Uturn there daily, should not be permitted and signs put up	3/17/2020 8:09 AM
7	High School exit on kearsarge is not wide enough to have vehicles enter especially when school lets out	3/17/2020 7:48 AM
8	Cedar and 127, trying to turn right at the bridge can be difficult	3/17/2020 7:30 AM

10	Never put traffic lights in our town!!	3/9/2020 9:06 PM

12	103 45mph is too fast reduce speed to 30 between the two villages	3/6/2020 10:40 AM
13	Briar Hill Rd is a disgrace. Town should be embarrassed by its lack of maintenance. Fix the road.	3/6/2020 10:22 AM

16	Intersection of Briar hill and 103. ZERO visibility in winter. Needs AT LEAST a mirror	3/5/2020 4:52 PM
17	Exit 4 - don't open development going north on Maple St. Too close to residences and school.	3/5/2020 10:58 AM
18	intersection 103 and little penacook; crosswalks for pedestrians coming down 103	3/4/2020 6:08 PM
19	We hate the stop sign that randomly appeared on road after 32 years. It's ugly.	3/3/2020 11:17 PM
20	Merging onto 202/9 from Hatfield	3/3/2020 8:58 PM
21	88 N entrance to 202 & 9. I have been in multiple near misses and have seen quite a few accidents	3/3/2020 1:33 PM
22	Out of towners unfamiliar with intersections and speeding are the only problem I see.	3/3/2020 8:43 AM
23	Some intersection should be adjusted where streets flow better. Some roads should be renamed where they intersect. For example, Penacook Road and Indian Ridge Road. This is confusing based on the layout of the road. Penacook Rd (St) that leads towards the cemetery should be a separate road altogether.	3/3/2020 8:19 AM

1	Wider shoulders for safe biking throughout Town.	4/3/2020 10:42 AM
2	the posted speed limit on Hopkinton road between Hopk and Contoocook is 45 mph, most vehicles are traveling in excess of 55 mph plus	3/27/2020 9:47 AM
3	None	3/22/2020 7:26 PM
4	Penacook Road needs a lower speed limit.	3/22/2020 1:32 PM
5	Eliminate Y intersections in town. Too many to list but start with the US 202 westbound slip ramp onto I-89, Briar Hill road at Penacook Road, for examples. Use compact intersections with tight angle turning movements instead. Also generally let pavement services deteriorate further before resurfacing to help calm traffic throughout town.	3/19/2020 5:11 PM

8	The curve on 202 just past the Cracker Barrel on your way to exit 5 is scary because it is a blind curve with no shoulder. People often drive too fast and cross center line	3/18/2020 5:41 PM
9	Briar Hill could use some love, others I'm sure too	3/18/2020 5:38 PM
10	Exit 4- this is a wierd traffic pattern and I am never confident driver's will do what they are supposed to do. I also worry about the intersection in the heart of Contoocook where Maple Street comes on to Rt. 103- sightlines are hoorific and it is hard to see and judge oncoming traffic. Same goes for the intersection in front of the Fire Station.	3/18/2020 3:45 PM

26	Clement Hill Rd - RV traffic from Sandy Beach Campground. Instead of turning Left out of the campground toward Pine St, which is big enough to accommodate them, they go right, toward 127. That portion of Clement Hill Rd is too narrow, too twisty, and the tree canopy is too low for RV's to safely share the road with oncoming vehicles. Visibility is also low through the turns. There is no reason tehy should need to travel that portion of the road. It's tricky enough with regular traffic.	3/17/2020 1:40 PM
27	Much more sidewalks are needed.	3/17/2020 1:18 PM
28	Posted speed signage should be what state requires Many streets do not conform	3/17/2020 12:46 PM

31	Entering Exit 6 northbound from the village. Several accidents when people turn into that ramp because they are watching the oncoming traffic yield to them. they have crossed the lane and had head on collisions. The same intersection make up in concord (Bow Exit) has the Yield sign on the opposite side. Not sure why it's any different here. I actually wrote to the state to get that yield sign added so we could avoid collisions but it's only made it worse	3/17/2020 12:18 PM

I'll add again, Pine St from Contoocook Village to at Burnham Intervale Rd and even to Clement Hill Rd has become a major road with travel well over the speed limit. The speed of the cars/trucks in this residential area is a disaster waiting to happen.	3/10/2020 6:49 AM

I do think concerns of people using the Hatfield exit and College Hill/River roads to get to Pat's Peak are very valid concerns. 202/9 speeds through Hopkinton are out of control. It seems to be mainly commercial and out of state drivers.	3/3/2020 8:43 AM

18	Bikers today need to be more considerate of drivers. They do not own the road. The richter from them to have the right away has become ignorant of them. Pine street is dreadful when there is a group. They do not ride single file . I was almost in an accident because of this	3/17/2020 11:38 AM

88	Yes, and it would be nice if the cyclists that use them actually obey the laws of the road. Riding 2-3 abreast and not moving for cars on narrow winding rural roads is dangerous. Answered: 339 Skipped: 41

#	RESPONSES	DATE
1	Tax Base & Affordable housing	4/3/2020 10:42 AM
2	High property taxes	3/27/2020 10:32 AM
3	too expensive school system, encourages families to move here while there children are in school, drive up the budget then once their child graduates they family leaves town with the rest of us holding the bag with increased taxes	3/27/2020 9:47 AM
4	High taxes, not enough lower and moderate income households. Walkability/bike-ability in Contoocook could be improved.	3/25/2020 8:30 AM
5	perceived as snotty, elevated cost of housing	3/24/2020 6:03 PM
6	Overly high property taxes. Excessive spending on unnecessary projects. Not everything has to be gold plated.	3/23/2020 9:03 AM
7	High taxes	3/22/2020 7:26 PM
8	Similarly, if too many young families move here too quickly, it will compromise the quality of the education our kids receive by expanding class sizes thus child receive less support from teachers.	3/22/2020 1:32 PM
9	property taxes	3/20/2020 3:41 PM
10	high taxes are out of sight. Highways and focus on automobility encourages people to just live here while doing business elsewhere.	3/19/2020 5:11 PM
11	Taxes	3/19/2020 2:23 PM
12	Tax burden is always a challenge.	3/18/2020 9:59 PM
13	Special education services- lack of knowledge and how to implement services, a lack of desire to implement services; Citizens that don't understand how important upgrades are to schools and higher taxes require that as the cost of everything increases year after year, but yet most of these same people lack a desire to bring in industries that will help with the tax base	3/18/2020 6:01 PM
14	High school track, taxes too high	3/18/2020 5:49 PM
15	Seen as a little snooty, drive to provide great services can make living here financially unattainable/sustainable for some	3/18/2020 5:41 PM
16	tax rate - but this may be a state issue out of our hands	3/18/2020 5:38 PM
17	lack of resrouces and services for all, often perceived as "snooty", insular	3/18/2020 3:45 PM
18	Tax rate	3/18/2020 1:42 PM
19	Division of "haves" and "have nots".	3/18/2020 11:39 AM
20	Education, businesses to help with taxes	3/18/2020 1:18 AM
21	Police compassion and presence	3/17/2020 11:21 PM
22	Lack of commercial businesses that can broaden the tax base.	3/17/2020 10:57 PM
23	high taxes because lack of taxes from a business base in the town. A lot of unhappy people here want to take money away from our schools and would be satisfied with "adequate" schools for our kids. That is not a good idea or else our town will dramatically change.	3/17/2020 10:56 PM
24	Taxes	3/17/2020 9:14 PM
25	Lack of businesses, taxes too high	3/17/2020 8:57 PM
26	The schools have a good reputation outside of town but our experience w/ the elementary school is that it down not live up to the reputation at all and found out after moving that many other families feel the same. Doesn't seem dynamic - this survey is awesome; seeking input from residents; would be great to have residents weigh in on twin improvements in meaningful ways; maybe through hosting community forums or communities outside of budget times	3/17/2020 8:32 PM
27	Reluctance to spend money on necessary things	3/17/2020 8:18 PM

28	Taxes are increasing too much	3/17/2020 7:09 PM
29	Lack of public transportation	3/17/2020 7:07 PM
30	The tax rate is prohibitively expensive. Our taxes are up over \$3000 in the 5 years we have been at our current house (without changes to the house to warrant that increase). In addition, I have seen the quality and offerings of our schools decrease despite the tax increase.	3/17/2020 6:05 PM
31	Few services	3/17/2020 5:36 PM
32	Crushing property taxes	3/17/2020 4:57 PM
33	taxes are too high	3/17/2020 4:44 PM
34	Taxes of course but like I said, I will pay more to be in a place like this. If it changes to surrounding overcrowded, trailer park, junk yard towns or cities, we'll venture on.	3/17/2020 4:43 PM

62	school portion of taxes is way too much, ever increasing taxes pushing out families that have lived here for generations, prohibitive zoning that discourages mixed use, and businesses from starting here	3/17/2020 10:08 AM
63	We are not on the current or up to date on new innovations for our town. I think it would be outstanding if we could keep the old charm feel however be on top of cutting edge research and development for our town to make it so that people that are here feel that you're getting their tax dollars used to good use whether it be for education or for the infrastructure of our town. 14	First of all, thank you guys for doing this, and I'd love to be able to see the results since they are probably fascinating (this is Dulcie - hi, Karen!). Secondly, I'm jazzed that we are thinking so carefully about development. I think if we do it strategically and with the right partners, we could add some serious assets to our revenue base :)	3/17/2020 4:10 PM
15	Roads are crumbling. Many haven't been rebuilt, not simply repaired, in decades. Increasing commercial/industrial tax base. This Town really is no longer affordable to middle to lower income people. The demographic mix that existed when we moved here no longer exists. That's a shame. The arrogance of the affluent here is indeed shameful!!	3/17/2020 3:58 PM
16	This has been a great town to raise our children in and hope it stays that way for generations to come	3/17/2020 2:45 PM

25	The town needs to stand up to some businesses. For example, Mr. Mike's neon sign and hideous awning. Why were these allowed? And weren't they supposed to have an indoor restroom installed? Also concerned about franchises coming to town (e.g., Dunkin' Donuts). Was worried the old Tooky Diner was going to be a McDonald's	3/17/2020 10:52 AM
26	I would love to see Contoocook Village revitalized. It would be great if someone renovated the Covered Bridge restaurant to have dining overlooking the river. The same for the frame shop. I	3/17/2020 10:49 AM

	think this would bring in more people to visit and they would frequent the local shops like Indigo Blue and 3 on Main.	
27	Baby steps in development.	3/17/2020 10:40 AM
28	Hopkinton is in danger of becoming a suburban enclave for high-income families with school children. There are towns in the United States to which families move when they have school-aged children, and from which they depart as soon as the children complete school. This is a hollowed-out version of a town, and I don't want Hopkinton to become one of those.	3/17/2020 10:14 AM
29	we have to get the school spending down so that everyone can make it in this town and stay if they want to stay, this town is wonderful, but too many folks are being pushed out because of costs;	3/17/2020 10:08 AM
30	We need to reevaluate where our money goes reevaluate where the town should be going for the future so that we can stay on the map of desirable locations for families to grow and our children to stay connected to this town	3/17/2020 10:07 AM
